HAPPY 4TH OF JULY!

## HAPPY RETIREMENT SHARON!!

Sharon-Thank you for 21 years of dedication to the food program. You have brought on and trained many wonderful providers. Now it's your time to sit back and enjoy the retirement life with John. Actually, your job might seem really easy as you hike mountains, take long trips, swim oceans, etc. Just keep having fun!! I am going to miss you so very much, but I am so happy for you & John. Many blessed day's to come.

Love Charlotte

Sharon- Again I have to say good bye to a long-time co-worker and friend. What's happening? Are we all growing old enough to retire? I am going to miss you so much Sharon, and already do. Where are my post it notes from you? Who is going to take over your organization skills and pick up the spiders and take them outside to live? Who is going to be our Earth friendly co-worker that makes sure we recycle? All of your qualities will be missed. I know you and John are

going to have so much fun. You're are a one of a kind special person.

Love Ya, Sue

## STATE REVIEW

During the last part of March we were visited by a team of 6 state auditors who came to conduct our state review. Once again we passed with flying colors. We could have not done this without all of you!!! Thank you all

Another great review!!!

and an extra special thank you to the many providers who were monitored by the state, you all did a wonderful job.

There were just a few findings and along with those they offered some great suggestions. They would

like to see a lot more variety in the meals served. We know finding new and different things are hard but we are here to help. Also, they need to see that each of our monitors move around. Therefore, you will be seeing different faces.

Thank you again for all you do.

## SEND ME YOUR SNACK IDEAS!

Do you ever have a hard time thinking of snacks to serve the children? Or do you have a great snack idea you want to share with others? Send me your snack recipes so we can put together a great snack book!! Hopefully this can help

us all get out of our snack rut! Either send them to our office address..

Or email them to me

Kpatrick@ccyakima.org

Please include your name if you would like that to be included!

This should be a lot of fun!!!

## THINGS YOU SHOULD REMEMBER

With the new WAC rules, you are no longer required to have a landline, so if you are now only going to be using your cell phone please let us know, along with giving us that number so we can update your in-

Your paperwork is very important!

formation. Also, when you receive a new license please send us a copy. This will help make sure you get paid for the correct amount of meals.

Another note....When filling out any new child enrollment forms, make sure you

double, and triple check them! It is important to have all information on these forms. If the child is under age one make sure you have all appropriate information filled out. If we receive an enrollment form with missing or incorrect information, depending on when we receive it you could possibly lose that child's meals.

## SUMMER TIME!

It's that time again, SUMMER!! If you plan on being out of the home for vacation or gone during a meal time please remember to call the office. Also, this is a good time to look at your claim information form to make sure all child information

is correct. You may also want to update any school information that may have changed.

**FUN FACT:** In a remarkable coincidence, both John Adams and Thomas Jefferson, the only signers of the Declaration of Independence later to serve as President's of the United States, died on the same day: July 4, 1826 which was the 50 anniversary of the Declaration. Calvin Coolidge, the 30th President, was born on July 4, 1872, and, so far, is the only President to have

been born on Independence Day.
